*There are expert hunters, and expert shooters. There is a big difference. SAAM melds the two extremes into an expert hunter/shooter, and I am proud to have been a graduate of this unique course. I could not have completed this Marco Polo/Ibex hunt without their help. I unequivocally recommend SAAM to any level of hunter.* —**DR. TIM DOUCET, TX**

*"My expectations were exceeded, leaving SAAM Precision. I was confident in making good shot decisions and placing the shot where aimed. SAAM Precision II was a natural and simple choice because of my very positive experiences in SAAM I and to further improve my hunting skills. Very good instructors who educate while keeping it fun. Thank you!"* —**GREG MOORE, WA**
